

Just a note to tell you how important K-Love is to me and my listening pleasure. What a joy to have Christian radio available, 24 hours a day, on a very enjoyable frequency of FM 105.5 or 89.1 in the Phoenix area. K-Love is a non-commercial, family friendly radio station that is wholesome, edifying and uplifting. Please do not displace it with an LPFM broadcaster. This would be devastating as this is the only station I enjoy listening to. K-Love has factual and frequent news updates, positive stories of encouragement and music that the entire family/community can listen to. More stations such as this one should exist. Thank you for reading.
